**REQUEST FOR CORRECTION OF
APPLICATION DATA SHEET**

Sir:

Enclosed is a copy of the Application Data Sheet document forwarded to the United States Patent and Trademark Office ("USPTO") on October 23, 2003 for the above-identified application. There are two errors in the Application Data Sheet as detailed below.

Please note that the attached Application Data Sheet indicates an error in the Assignee's name and address with regard to the above-identified application. The Assignee's name and address is listed as Rutgers University – Department of Chemistry, 610 Taylor Road, Piscataway, New Jersey 08854, this information is incorrect. The correct name and address of the Assignee is: Rutgers, The State University, Old Queens, Somerset Street, New

Brunswick, New Jersey, 08909. Attached herewith is a Supplemental Application Data Sheet indicating the correct information of the Assignee. We ask that the USPTO please correct its records to reflect the correct information of the Assignee.

In addition, we note that the title of the invention has been entered as: Radio-Opaque Polymer Biomaterials. Please note that there is a typo in the word Polymer. The word should be spelt "Polymeric". Therefore the invention should read as follows: Radio-Opaque Polymeric Biomaterials. Attached herewith is a Supplemental Application Data Sheet indicating the correct information of the title of the invention. We ask that the USPTO please correct its records to reflect the correct title of the invention.

The above corrections are due to a typographical error. In the event of non-payment or improper payment of a required fee, the Commissioner is authorized to charge or to credit **Deposit Account No. 19-5425** as required to correct the error.

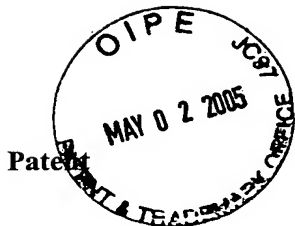

In view of the above, Assignor respectfully requests the issuance of a notice indicating that these corrections have been made of record with the USPTO.
